

# Welcome to South Lake Home Educators!

Congratulations on joining the SLHE family! Your membership has been approved, and you can now log in with your created credentials at [SLHE.org](https://www.slhe.org).

## Required Forms

Please sign the **Membership Agreement** that includes the **Release of Liability Agreement** on your family profile. Remember to click "update" to save your information.

## Communication

Make sure to check the "general forum" box during setup to receive important emails. Co-op members should also select the "Co-op" forum. The "Chit-Chat forum" is also a great way to learn about homeschooling activities and events that aren't related to SLHE. Consider removing secondary email addresses to avoid duplicates.

## Get Involved

A few suggestions to help you get started: browse the calendar for upcoming events, read through the FAQ page, and if you're comfortable, introduce your family in the chit chat forum. Our community is excited to welcome you!

Many families, including mine, have formed wonderful friendships within SLHE. I look forward to meeting you soon! Feel free to contact me at [Dee.Harrington@me.com](mailto:Dee.Harrington@me.com) or [817-372-3011](tel:817-372-3011).

**Blessings,**

Dee Harrington

President, South Lake Home Educators
