

# Why Join Our Home Educating Community?

When you become a member of the SLHE Support Group, you'll join one of the largest home educating communities in Central Florida. Our engaged community offers a supportive environment where families connect, share resources, and grow together.

## **Private Event Calendar**

Browse activities that perfectly match your family's interests, age- range and schedule.

## **Communication Forums**

Stay connected through our private website forums where all group communications flow.

## **Enrichment & Fellowship**

Access clubs, activities, special events, and receive encouragement from other homeschooling families.
